We purchased a baby swing for the playground for \$125.00. Randy Maser installed it.

The overgrown tree roots on the dry side playground were taken care of.

A gate for the entrance of park at Maplewood is tabled at this time.

We have had two incidents of landscape destruction. The entrance at Dixie and Cloverdale. Linda is turning it into the insurance company. We have had an estimate of \$3900 for cleanup and removal of damaged trees.

The tree on the boulevard was taken care of by Roberts Tree Service. We will ask them to replace the tree.
